

## National Championship Qualifying Teams

**This list contains the teams that have already qualified to the National Championship Tournament.**

Divisions will be drawn at the conclusion of the Opening Round Championship Series, in Boston, Massachusetts.

**Divisions will be randomly drawn using the following criteria, as listed in AMTA Rule 5.28:**

- (1) If two teams from a single school compete, they shall be assigned to the same division.
- (2) At least two teams from each opening round championship site shall compete in each division.
- (3) Teams with Bonus Bid Ranks shall be divided such that five of the top ten ranked teams participating in the tournament will be in each division, five of the next ten ranked teams shall be in each division (teams with the 11th to 20th best BBRs, not necessarily BBRs 11-20), five of the next ten ranked teams shall be in each division (teams with the 21st to 30th best BBRs), and, to the extent possible, all remaining ranked teams should be distributed with an equal number in each division.

The teams are listed in order of their adjusted BBR Ranking, that being the ranking of the team as it compares to other teams participating in the tournament, as required by rule 5.28(3). Team number and team name, actual BBR ranking, and Opening Round Championship Site that the team qualified from are also provided.
