Please print in advance or open in a separate screen

Starting Trial: *[Please wait - A Zoom broadcast will indicate that it is time to start your trial.]*
We just received the message to get started. Let's call the case of the Tray Westenmeier v. Kiran Walton. My name is Judge _____. Scoring judges, please look to the two buttons on the lower left of your screen and remember to keep your audio and video off unless a tournament coordinator tells you otherwise. You should also have your video set to hide all non video participants so that only people on the screen should be the advocates and me.

Can the attorneys please make appearances? Are there any preliminary matters?

Before Opening Statements:

We will now hear opening statements from each party. Everyone should make sure they are in Speaker View. That button is in the upper right of your screen. Attorneys, please remember to mute your audio when the other attorney is speaking.

Before First Witness:

Before the Plaintiff calls its first witness, please switch to Gallery View. That button is in the upper right of your screen. This will allow you to see the attorneys and witness at the same time.

After Plaintiff Case-in-chief:

We will now take a 5-minute break. See you all again shortly.

After Break: *[Please ensure that all scoring judges are present.]*
Everyone is back and ready to go. Defense, please call your first witness.
