

OLT 2021 Competitor Eligibility

Competitor Eligibility

A competitor is eligible to compete at the One Last Time Tournament if and only if the competitor:

- (a) Graduated or intends to graduate from an undergraduate institution before October 15, 2021; and
- (b) Was listed on an AMTA roster for the 2021 competitive season.

Termination of Future Eligibility

Any person who competes at the One Last Time tournament permanently terminates eligibility for any future AMTA competitions, unless otherwise indicated by the competition rules.

Optional Trial Tech

Each team may elect to have one non-competing member who will act as their trial technician (“Trial Tech”) and fill their fifth roster spot. The Trial Tech would be responsible for screen sharing during the trials and would be allowed to communicate with the competing team members during trial and breaks. However, the Trial Tech cannot compete (act as an attorney or witness) in any round, even in the event that a competing member of the team becomes sick/unavailable. Teams with five competitors may not also have a Trial Tech.

Eligibility: Anyone who was rostered during the AMTA 2021 competitive season may serve as a Trial Tech. Participation in OLT 2021 as a Trial Tech does not terminate future AMTA season eligibility.
